No. 79/119

TO COUNTY ASSESSORS:

EXTENSIONS FOR 1979 ROLL PREPARATION

Assembly Bill 1488 (Chapter 242, Statutes of 1979) authorizes the State Board of Equalization to grant an extension of an additional 30 days for the preparation of the 1979-80 assessment roll and related acts beyond the August 1, 1979 due date provided for in this act. It also provides that the assessor may make corrections to the completed 1979-80 roll throughout the fiscal year without prior hearing or approval by the board of supervisors. It is not planned to grant a blanket 30-day extension for all counties because of the authorization for unlimited corrections after the roll is completed and the desirability of producing a roll as soon as possible.

Assessors requiring an extension should submit a formal request to the Board's Executive Secretary, Mr. Douglas D. Bell, supporting the need for additional time. When an extension is granted, the date for submitting the "Statement of the County Assessor to the Board of Equalization of the State of California, Part One: Assessment Roll Totals" (Form R-801) and "Part Two: Report on Exemptions" (Form R-802) will automatically be extended for five working days past the date the roll must be submitted.

Sincerely,

Verne Walton, Chief
Assessment Standards Division
